# Grapefruit Pink Cold Pressed

*Citrus paradisi*

CITRUS

Grapefruit Pink Cold Pressed is obtained by cold pressing the peel of the *Citrus paradisi* fruit.

## Olfactive profile

Sweet, zesty, and citrusy

## Appearance

Light yellow to pale orange-pink

## Botany

*Citrus paradisi* is an evergreen tree that belongs to the *Rutaceae* family and grows between 5-6 meters (16-20 feet) in height. It has dark, glossy and green leaves, with white, fragrant flowers that appear in clusters. The fruit is medium-sized and has a round to slightly oblong shape, with a smooth, yellow to yellow-orange peel.

## Ethnobotany

Grapefruit originated in the West Indies. Its cultivation spread to Central America, and was primarily utilized for traditional medicine and culinary purposes.

## Uses/Application

Grapefruit Pink Cold Pressed is used in aromatherapy, flavor, cosmetics, household fragrance, and fine fragrance.<sup>[1, 2, 3]</sup>
